

100% TEMPRANILLO
RIBERA DEL DUERO
SPAIN
2018 VINTAGE

We focus our efforts on giving value to work done with patience and attention to detail, and 17 is the result of this combination. A wine named after an important year for our winery and the launch of our flagship.

The best version of the Tempranillo grape is in our land and this wine reflects the full potential of this variety. The personality of Ribera del Duero and the passion of our team are reflected in every sip of 17.

HARVEST:

The first buds of the 2018 vintage arrived a little later than normal. A year earlier we had experienced one of the biggest frosts in Ribera del Duero in living memory, which forced us at the beginning of 2018 to double our work in our vineyards when the plant revives and begins its cycle, taking great care in the formation of branches.

The 2018 grapes were taken to the winery with minimal intervention to respect the integrity of the fruit. In the winemaking process we discovered better attributes and new flavors resulting in a complex and delicious vintage.

COUNTRY: Spain

AGE OF VINES: 30+ years
FERMENTATION: Spontaneous
PRODUCTION: 19,420
FORMATS: 18,400 (750ml) - 990 magnum and 30 jeroam

DESCRIPTION:

Visual: The 2018 vintage of 17 results in a docile wine with a movement in the glass that shows it to be agile and lively. The wine has violet and ruby tones, with bright, fiery and deep colors.

Nose: A frank and complex wine. Fruity aromas from the first contact, fresh and cheerful tones with a fine thread of vanilla and forest berries, somewhat ripe. Subtle at first contact, expressive and cheerful.

Palate: silky, fruity, fine, round and deep. A wine that fills the mouth in an elegant journey that unveils new flavors as it goes by. Acidity regulated by a mineral base that is typical of the chalky soils of the vineyard. Black fruit and fine pastries in a balanced wine with structure.
